NOTICE IS HEREBY GIVEN that an annual meeting of the shareholders (the “**Meeting**”) of Northern Graphite Corporation (the “**Corporation**”) will be held at the Corporation’s office at Suite 201, 290 Picton Avenue, Ottawa, Ontario, K1Z 8P8 on June 25, 2018, at 11:00 a.m. (EDT) for the following purposes:

1. to receive the audited financial statements of the Corporation for the fiscal year ended December 31, 2017, together with the report of the auditors thereon;
2. to elect the directors of the Corporation for the ensuing year;
3. to appoint MNP LLP, Chartered Professional Accountants, as auditors of the Corporation and to authorize the directors of the Corporation to fix the auditors’ remuneration;
4. to consider and, if deemed appropriate, to approve, with or without variation, an ordinary resolution approving the Corporation’s stock option plan, as amended and restated, as more particularly described in the accompanying management information circular (the “**Circular**”);
5. to transact such further or other business as may properly come before the Meeting or any adjournment or adjournments thereof.

The nature of the business to be transacted at the Meeting is described in further detail in the Circular.

The record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting is at the close of business on May 7, 2018 (the “**Record Date**”). Shareholders whose names have been entered in the register of shareholders at the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting.

The Corporation has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (“**Notice-and-Access**”) to distribute Meeting materials to shareholders. Notice-and-Access is a set of rules that allow issuers to post electronic versions of proxy-related materials on SEDAR and on one additional website, rather than mailing paper copies to shareholders. The use of Notice-and-Access will reduce the Corporation’s printing and mailing costs and is more environmentally friendly as it will help to reduce paper use. Shareholders have the right to request hard copies of any materials posted online by the Corporation under Notice-and-Access.

Meeting materials, including the Circular, are available under the Corporation’s SEDAR profile at www.sedar.com and on the Corporation’s website at www.northerngraphite.com/investors/2018-agm-materials/. The Corporation will provide to any shareholder, free of charge, upon request to the Corporation’s transfer agent, TSX Trust Company, telephone no.: 1-866-600-5869 or e-mail: TMXEInvestorServices@tmx.com, a paper copy of the Circular and any financial statements or management discussion and analysis of the Corporation filed with the applicable securities regulatory authorities during the past year. In order to allow reasonable time for you to receive and review a paper

copy of the Circular or other document prior to the proxy deadline, you should make your request for a paper copy to the Corporation's transfer agent by 5:00 p.m. (EDT) on June 14, 2018.

A shareholder may attend the Meeting or any adjournment thereof in person or may be represented by proxy. Shareholders who are unable to attend the Meeting or any adjournment thereof in person are requested to date, sign and return the accompanying form of proxy for use at the Meeting or any adjournment thereof. To be effective, the form of proxy for the Meeting must be deposited with the Corporation's registrar and transfer agent, TSX Trust Company, Proxy Department, at 100 Adelaide Street West, Suite 301, Toronto, Ontario, M5H 4H1, Facsimile No. (416) 595-9593, no later than 4:00 p.m. (EDT) on June 21, 2018 or at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Ontario) before any adjournment or postponement of the Meeting.

The instrument appointing a proxy shall be in writing and shall be executed by the shareholder or the shareholder's attorney authorized in writing or, if the shareholder is a company, under its corporate seal by an officer or attorney thereof duly authorized.

The persons named in the form of proxy for the Meeting are directors and/or officers of the Corporation. Each shareholder of the Corporation has the right to appoint a proxyholder other than such persons, who need not be a shareholder, to attend and to act for such shareholder and on such shareholder's behalf at the Meeting. To exercise such right, the names of the nominees of management should be crossed out and the name of the shareholder's appointee should be legibly printed in the blank space provided.

DATED at Ottawa, Ontario as of the 11th day of May, 2018.

BY ORDER OF THE BOARD OF DIRECTORS

MANAGEMENT INFORMATION CIRCULAR

Dated May 11, 2018

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR (the “**Circular**”) is furnished in connection with the solicitation by the management of Northern Graphite Corporation (the “**Corporation**”) of proxies to be used at the annual meeting of shareholders (the “**Meeting**”) of the Corporation to be held at the time and place and for the purposes set forth in the enclosed notice of annual meeting of shareholders (the “**Notice of Meeting**”). While it is expected that the solicitation will be primarily by mail, proxies may also be solicited personally by regular employees of the Corporation at nominal cost. The cost of solicitation by management will be borne directly by the Corporation. The information contained herein is given as of May 11, 2018, unless indicated otherwise.

The Corporation may pay the reasonable costs incurred by persons and companies who are the registered owners of common shares of the Corporation (the “**Common Shares**”) (such as brokers, dealers, other registrants under applicable securities laws, nominees and/or custodians) in sending or delivering copies of the Notice Package (as defined below), as well as requested copies of the Meeting Materials (as defined below), to the beneficial owners of such Common Shares. The Corporation will provide, without cost to such persons and companies, upon request to the Corporate Secretary of the Corporation, additional copies of the Notice Package and Meeting Materials required for this purpose.

A quorum for the transaction of business at the Meeting shall be present if there are two or more persons present in person, each being a shareholder entitled to vote or a duly appointed proxyholder, and together holding or representing by proxy not less than 10% of the outstanding Common Shares entitled to vote at the Meeting.

NOTICE-AND-ACCESS

The Corporation has elected to use the “notice-and-access” provisions under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations* (“**Notice-and-Access**”), for distribution of this Circular and other meeting materials to registered shareholders of the Corporation and Beneficial Holders (as defined below). Notice-and-Access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to shareholders. The use of Notice-and-Access will reduce the Corporation’s printing and mailing costs and is more environmentally friendly as it will help to reduce paper use.

In accordance with Notice-and-Access, the Corporation has posted the Circular and its audited financial statements and management discussion and analysis for the year ended December 31, 2017 (collectively, the “**Meeting Materials**”) under its SEDAR profile at www.sedar.com and on its website at www.northerngraphite.com/investors/2018-agm-materials/.

Although the Meeting Materials will be posted electronically online, registered shareholders and Beneficial Holders (subject to the provisions set out below under the heading “Non-Registered Holders”) will receive a “notice package” (the “**Notice Package**”) by prepaid mail, which includes the information prescribed by NI 54-101, and a proxy form (“**Proxy**”), in the case of registered shareholders, or voting instruction form (“**VIF**”), in the case of Beneficial Holders, enabling them to vote at the Meeting. Shareholders should follow the instructions for completion and delivery contained in the Proxy or VIF, and are reminded to review the Circular before voting.

The Corporation has determined to use Notice-and-Access for both registered shareholders and Beneficial Holders other than those shareholders with existing instructions on their accounts to receive printed materials or those shareholders that request printed meeting materials. Neither registered shareholders nor Beneficial Holders will receive a paper copy of the Meeting Materials unless they contact the Corporation’s transfer agent, TSX Trust

Company (“**TSX Trust**”) at telephone no.: 1-866-600-5869 or e-mail: TMXEInvestorServices@tmx.com. Provided the request is made prior to the Meeting, TSX Trust will mail the requested materials within three business days. **Requests for paper copies of the Meeting Materials should be made by 5:00 p.m. (EDT) on June 14, 2018 in order to receive the Meeting Materials in time to vote before the Meeting.**

Shareholders with questions about Notice-and-Access may contact TSX Trust at telephone no.: 1-866-600-5869 or e-mail: TMXEInvestorServices@tmx.com.

NON-REGISTERED HOLDERS

Only registered holders of Common Shares as at May 7, 2018 (the “**Shareholders**”) or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a “**Beneficial Holder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**” or the “**Intermediaries**”) with whom the Beneficial Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101, the Corporation will have distributed copies of the Notice Package to Intermediaries and clearing agencies for onward distribution to Beneficial Holders.

Intermediaries are required to forward the Notice Package to Beneficial Holders. Beneficial Holders will be given, in substitution for the form of Proxy otherwise contained in the Notice Package, the form of VIF which, when properly completed and signed by the Beneficial Holder and returned to the Intermediary, will constitute voting instructions that the Intermediary must follow.

The purpose of this procedure is to permit Beneficial Holders to direct the voting of the Common Shares that they beneficially own. **Beneficial Holders receiving a VIF cannot use that form to vote Common Shares directly at the Meeting. Beneficial Holders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.** Should a Beneficial Holder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Holder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Holder or their nominee the right to attend and vote at the Meeting.

Beneficial Holders should ensure that instructions respecting the voting of their Common Shares are communicated in a timely manner and in accordance with the instructions provided by their Intermediary. Every Intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Holders in order to ensure that their Common Shares are voted at the Meeting.

Although a Beneficial Holder may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their Intermediary, a Beneficial Holder may attend the Meeting as proxyholder for the Intermediary and vote the Common Shares in that capacity. **Beneficial Holders who wish to attend the Meeting and indirectly vote their Common Shares as a proxyholder, should enter their own names in the blank space on the form of Proxy or VIF provided to them by their Intermediary and return the same in accordance with the instructions provided by their Intermediary well in advance of the Meeting.**

In any event, Beneficial Holders should carefully follow the instructions of their Intermediary set out in the VIF, including those regarding when and where the form of Proxy or VIF is to be delivered.

Under NI 54-101, the Corporation is permitted to forward meeting materials directly to Beneficial Holders who are “non-objecting beneficial owners” (“**NOBOs**”). If the Corporation or its agent has sent these materials directly to you (instead of through a nominee), your name, address and information about your holding of securities has been obtained in accordance with applicable securities regulatory requirements from the nominee holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the nominee holding on your behalf) has assumed responsibility for delivering materials to you and executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. The meeting materials for Beneficial Holders who are “objecting beneficial owners” (“**OBOs**”) will be distributed through clearing houses and

Intermediaries, who often use a service company such as Broadridge Financial Solutions to forward meeting materials to non-registered shareholders. The Corporation does not intend to pay for Intermediaries to forward the proxy-related materials and the request for voting instructions made by Intermediaries to OBOs, under NI 54-101. Accordingly, an OBO will not receive the materials unless the OBO's Intermediary assumes the cost of delivery.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the form of proxy are directors and/or officers of the Corporation. **A shareholder desiring to appoint some other person (who need not be a shareholder) to represent him, her or it at the meeting may do so** either by inserting such person's name in the blank space provided in the form of proxy and crossing out the names of the nominees of management, or by completing another proper form of proxy and, in either case, depositing the completed proxy at the office of the Corporation's registrar and transfer agent, TSX Trust Company, Proxy Department, 100 Adelaide Street West, Suite 301, Toronto, Ontario, M5H 4H1, Facsimile No. (416) 595-9593, no later than 4:00 p.m. (EDT) on June 21, 2018 or at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Ontario) before any adjournment or postponement of the Meeting, or delivering the completed proxy to the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof prior to the time of voting.

A shareholder may also submit a proxy by using the Internet through the website of TSX Trust at www.voteproxyonline.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the proxy form for the Meeting for the Holder ID and Holder Code and the proxy access number.

A Shareholder who has given a proxy has the power to revoke it as to any matter on which a vote has not already been cast pursuant to the authority conferred by such proxy and may do so either:

1. by delivering another properly executed form of proxy bearing a later date and depositing it as described above;
2. by depositing an instrument in writing revoking the proxy executed by him, her or it: (a) with TSX Trust at the address and/or facsimile above, at any time up to and prior to the close of business on the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or (b) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, prior to the commencement of the Meeting or any adjournment thereof, as applicable; or
3. in any other manner permitted by law.

Only a Shareholder has the right to revoke a proxy. A Beneficial Holder who wishes to change his, her or its vote must arrange for the Intermediary to revoke the proxy on his, her or its behalf in accordance with the instructions of such Intermediary set out in the voting instructions form.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

In the event of a strike, lockout or other work stoppage involving postal employees, all documents required to be delivered by a shareholder should be delivered by facsimile to TSX Trust at (416) 595-9593.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees or any appointed nominees will be voted for, withheld from voting or voted against in accordance with the instructions of the Shareholder on any ballot that may be called for and, if a Shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the Common Shares represented by the proxy shall be voted accordingly. **Where no choice is specified, the proxy will confer discretionary authority and will be voted FOR the election of the nominee directors, the appointment of auditors and the authorization of the directors to fix the auditors' remuneration, and for each item of business, as stated elsewhere in this Circular.**

The form of proxy for the Meeting also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters that may properly come before the meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No person who has been a director or executive officer of the Corporation at any time since the beginning of its last completed financial year, no proposed nominee for election as a director of the Corporation and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than the election of directors or the approval of the stock option plan of the Corporation as disclosed in this Circular.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of an unlimited number of Common Shares. As at the date of this Circular, the Corporation had 65,112,756 Common Shares issued and outstanding. Each Common Share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting.

The record date for the purpose of determining the Shareholders entitled to receive the Notice of Meeting and to vote at the Meeting has been fixed as May 7, 2018. In accordance with the provisions of the *Business Corporations Act* (Ontario), the Corporation will prepare a list of Shareholders as at the close of business on the Record Date. Each holder of Common Shares named in the list will be entitled to vote, on all resolutions put forth at the Meeting for which such Shareholder is entitled to vote, the shares shown opposite his, her or its name on such list. The failure of a Shareholder to receive the Notice of Meeting does not deprive him, her or it of the right to vote at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as at the date of this Circular, no person or company beneficially owns, or exercises control or direction over, directly or indirectly, securities carrying 10% or more of the voting rights attached to any class of outstanding voting securities of the Corporation.

The audited financial statements of the Corporation for the fiscal year ended December 31, 2017 together with the auditors' report thereon will be presented to the Shareholders at the Meeting.

Corporate Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Other than as described below, no Nominee is, as at the date hereof, or has been, within 10 years before the date hereof, a director, chief executive officer or chief financial officer of any company (including the Corporation) that, (a) was subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days that was issued while the Nominee was acting in the capacity as director, chief executive officer or chief financial officer; or (b) was subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for

a period of more than 30 consecutive days that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Donald Christie was a Director of Alpha One Corporation (“**Alpha One**”), a Capital Pool Company that was listed on the TSX-V and the NEX. On April 3, 2006, trading in Alpha One shares was halted by the TSX-V at the request of Alpha One. On April 5, 2006 Alpha One issued a press release describing its intended Qualifying Transaction (as defined in the TSX-V Policies). The TSX-V subsequently issued a bulletin on September 13, 2006 indicating that Alpha One was required to complete a Qualifying Transaction by October 14, 2006, 24 months from its date of listing. Further to the TSX-V bulletin dated September 13, 2006, effective October 20, 2006, trading in Alpha One shares was suspended, as Alpha One failed to complete a Qualifying Transaction within 24 months of its listing. On March 9, 2007, as the result of Alpha One failing to complete the Qualifying Transaction within the time frame prescribed by TSX-V Policy 2.4, the Alpha One shares were transferred to NEX where they remained suspended pending the closing of a Qualifying Transaction. The trading symbol for Alpha One shares was changed from AOC.P to AOC.H, as a result of the transfer to NEX. Alpha One completed its Qualifying Transaction on April 27, 2011 to become Solvista Gold Corporation which eventually became Rockcliff Copper Corporation (RCU:TSX-V).

Gregory Bowes served as a director of Mindesta Inc. (formerly Industrial Minerals, Inc.) (“**Mindesta**”) from June 23, 2008 to September 17, 2014. Mr. Bowes became the Chief Executive Officer and Chief Financial Officer of Mindesta on May 10, 2010. On August 18, 2009, Mindesta, the Delaware-incorporated former parent company of the Corporation, quoted on the over-the-counter bulletin board in the United States, was advised by the British Columbia Securities Commission (the “**BCSC**”) that the BCSC had issued a cease trade order against it for, prior to Mr. Bowes’ involvement, failure to file a National Instrument 43-101 – *Standards of Disclosure for Mineral Projects* compliant technical report in connection with the November 2007 announcement by Mindesta of a mineral resource estimate and the results of a preliminary assessment for the Bissett Creek Project and subsequent similar disclosure. Mindesta had been designated a reporting issuer in British Columbia by the BCSC, pursuant to British Columbia Instrument 51-509 – *Issuers Quoted in the U.S. Over-the-Counter Markets* (“**BCI 51-509**”), on September 15, 2008. A technical report had been completed and Mindesta’s disclosure was consistent with it, but the report was not filed with the BCSC due to financial difficulties being experienced by Mindesta at the time. The BCSC issued a full revocation of the cease trade order effective March 10, 2011. Mindesta ceased being a reporting issuer in British Columbia under BCI 51-509 on September 22, 2014.

Dr. K. Sethu Raman is a director of SGX Resources Inc., an issuer that was subject to cease trade orders, imposed by the Manitoba Securities Commission on May 9, 2016 and the British Columbia Securities Commission on May 16, 2016, for failure to file annual financial statements within the period required by securities legislation. SGX Resources Inc., completed an application for revocation of its cease trade orders effective December 22, 2017.

No Nominee has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable shareholder in deciding whether to vote for a Nominee.

IF ANY OF THE NOMINEES ARE FOR ANY REASON UNAVAILABLE TO SERVE AS A DIRECTOR, PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR ANOTHER NOMINEE IN THEIR DISCRETION UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN THE ELECTION OF DIRECTORS.

Appointment and Remuneration of Auditors

The Shareholders will be asked at the Meeting to approve a resolution appointing MNP LLP, Chartered Professional Accountants, as auditors of the Corporation and to authorize the directors to fix the auditors' remuneration. MNP LLP, Chartered Professional Accountants are the present auditors of the Corporation and were first appointed as auditors on March 1, 2010.

Unless authority to do so is withheld, the persons named in the accompanying proxy intend to vote FOR the appointment of MNP LLP, Chartered Professional Accountants as auditors of the Corporation to hold office until the next annual meeting of shareholders, and to authorize the directors to fix the auditors' remuneration. A majority of the votes cast by Shareholders at the Meeting is required to approve the appointment of the auditors and to authorize the directors to fix their remuneration.

Approval of Stock Option Plan

At the Meeting, Shareholders will be asked to approve, by way of ordinary resolution, the Corporation's stock option plan, as amended and restated effective July 24, 2013, (the "**Stock Option Plan**"). The Stock Option Plan was originally adopted by the Board of Directors on April 18, 2011 in connection with the Corporation's initial public offering and listing on the TSX Venture Exchange (the "**TSX-V**"), and was initially approved by Shareholders at the Corporation's annual and special meeting of Shareholders held on August 17, 2011. A summary of the Stock Option Plan is set out in "*Statement of Executive Compensation – Option Based Awards – Summary of the Stock Option Plan*".

The Stock Option Plan is a "rolling" option plan. Pursuant to the requirements of the TSX-V for "rolling" option plans, the Corporation must obtain shareholder approval for the Stock Option Plan on an annual basis, as described in Policy 4.4 of the TSX-V. Accordingly, at the Meeting, Shareholders will be asked to approve an ordinary resolution approving the Stock Option Plan, (the "**Stock Option Plan Resolution**"), the full text of which is as follows:

"BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. the Stock Option Plan is hereby confirmed, ratified and approved; and
2. any one director or officer of the Corporation, is hereby authorized, for and on behalf of the Corporation, to execute and deliver all such documents and instruments and to do all other things as in the opinion of such directors or officers may be necessary or desirable to implement this resolution and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of any such document or instrument, and the taking of any such action."

The Board of Directors has concluded that the Stock Option Plan is in the best interests of the Corporation. Accordingly, the Board of Directors recommends that Shareholders vote in favour of the Stock Option Plan Resolution.

Unless otherwise directed, the persons named in the form of proxy for the Meeting intend to vote FOR the Stock Option Plan Resolution. A majority of the votes cast by Shareholders at the Meeting is required to approve the Stock Option Plan Resolution.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Pursuant to National Instrument 51-102 – *Continuous Disclosure Obligations* ("**NI 51-102**"), the Corporation is required to disclose the compensation paid to its "named executive officers". This means the Corporation's Chief Executive Officer and Chief Financial Officer (or individuals who served in similar capacities) for any part of the Corporation's most recently completed financial year, and the three most highly compensated executive officers (or individuals who served in similar capacities), other than the Chief Executive Officer and Chief Financial Officer, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000

(and each individual who would be a “named executive officer” but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of the financial year).

For the financial year ended December 31, 2017, the “named executive officers” of the Corporation were Mr. Gregory Bowes, the Chief Executive Officer and Interim Chief Financial Officer of the Corporation and Mr. Stephen Thompson, the Corporation’s former Chief Financial Officer (the “**Named Executive Officers**” or “**NEOs**”). Mr. Thompson resigned as Chief Financial Officer on October 31, 2016 and subsequently entered into a consulting agreement with the Corporation, effective November 1, 2016, whereby he agreed to use his best efforts to make himself available for a period of eight months (ending June 30, 2017) to assist, advise and cooperate with the Corporation on issues relating its financial affairs in order to provide for continuity and an orderly transition. Subsequent to year end, on January 11, 2018, Mr. John McNeice was appointed Chief Financial Officer of the Corporation.

The Corporation completed an initial public offering on April 18, 2011 (the “**IPO**”). Prior to this time, the Corporation operated without significant executive compensation arrangements. Effective May 1, 2011, following the completion of the IPO, the Chief Executive Officer and Chief Financial Officer became employees of the Corporation and entered into executive employment agreements with the Corporation. For a description of the agreements or arrangements that are in place with respect to Named Executive Officers, see “*Termination and Change of Control Benefits*”.

The Board of Directors establishes the remuneration of the Chief Executive Officer on the basis of a recommendation from the Compensation and Nomination Committee. In addition, the Compensation and Nomination Committee, based on the recommendation of the Chief Executive Officer, establishes the remuneration of executives reporting to the Chief Executive Officer, including their participation in incentive plans offered by the Corporation.

The objective of the Corporation’s compensation program is to provide suitable compensation for executives that is competitive to other junior mining issuers that are at a similar stage of development to that of the Corporation and which reflects the achievements of the Corporation’s executives. This approach is designed to attract and retain highly qualified individuals who are able to carry out the Corporation’s business objectives. The compensation program aims to ensure total remuneration is competitive by market standards and link rewards with the short-term and long-term strategic goals and performance of the Corporation by providing compensation arrangements that are comprised of both a fixed component and an at-risk component, with the at-risk component being composed of certain incentives.

The Corporation has an annual incentive program for the NEOs under employment with the Corporation, approved by the Board of Directors, which consists of cash bonuses ranging from 10% to 60% of base salary for achieving certain corporate and/or individual performance levels with reference to pre-set objectives. The payment of any bonus is discretionary and is based on an evaluation carried out by the Compensation and Nomination Committee. All bonuses are approved by the Board of Directors. It was expected that, at a minimum, NEOs would be paid the lower end of the range, provided the Corporation has the financial resources to do so. The minimum reflects the fact that the Corporation does not provide its employees with any pension benefits. NEO bonuses will be in the middle of the range based on satisfactory personal and market performance and at the higher end of the range for performance that exceeds goals, expectations and market performance indices. Market performance is based on the Corporation’s share price performance relative to the performance of the TSX Venture Select Index and the TSX-V Index for the period. Bonuses can be increased by up to 100% at the discretion of the Compensation and Nomination Committee based on outstanding performance with respect to the objectives.

The Corporation also uses the granting of stock options as part of its compensation strategy. As a junior mining exploration company with no revenue, stock options will be used mainly to offer additional incentive and compensation for services. Stock options will also be used to provide an incentive for executive officers to remain associated with the Corporation and, to a lesser extent, to increase ownership in the Corporation.

For the year ended December 31, 2017, Mr. Gregory Bowes, the Chief Executive Officer and a director of the Corporation, was paid a total of \$270,000. Mr. Bowes’ salary amount was \$245,000 following re-instatement of an annual salary of \$250,000 during 2017. A cash bonus payment of \$25,000 was paid representing 10% of annual base salary.

Option-Based Awards

Option-Based Awards

The Board of Directors has the responsibility to administer the compensation policies related to the executive management of the Corporation, including option-based awards. The Corporation's Stock Option Plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of executive officers, as well as their impact or contribution to the longer-term operating performance of the Corporation. During the period leading up to the Corporation's IPO and including the awards granted at the time of the IPO, there was no formal process in place that the Corporation used to grant stock options to executive officers. Generally, options were approved and granted by the Board of Directors on the recommendation of the Chief Executive Officer. In recommending the number of options to be granted to executive officers, the Chief Executive Officer took into consideration the efforts and services provided to the Corporation, the amount of options previously granted and the total number of options reserved for issuance under the Stock Option Plan. Since the IPO, option-based awards are determined by the Compensation and Nomination Committee based on recommendations from the Chief Executive Officer.

Summary of the Stock Option Plan

The Corporation's Stock Option Plan is designed to motivate and retain directors, officers, key employees, and other service providers, and to align their interests with those of the Corporation's Shareholders. Participation in the Stock Option Plan rewards overall corporate performance, as measured through the price of the Common Shares. In addition, the Stock Option Plan enables executives, including directors, to develop and maintain a significant ownership interest in the Corporation. All options that have been granted under the Stock Option Plan have been issued at an exercise price not less than the closing market price of the Common Shares on the date prior to the date of the grant.

Long-term incentives for executive officers and directors have been provided through options granted under the Stock Option Plan. As the Corporation's business focuses on the exploration and development of mineral properties, options are used to provide incentives to the directors and executive officers of the Corporation and are intended to be an important part of compensation. The Corporation may amend its stock option policies as it moves further towards commencing commercial production in respect of mineral properties and continues to review the appropriateness of all forms of compensation paid to its directors and executive officers.

The Board of Directors of the Corporation may, from time to time, in its discretion, and in accordance with the rules and regulations of the TSX-V, grant to directors and officers of the Corporation, and *bona fide* Employees, Consultants, or Management Company Employees (all as defined in the policies of the TSX-V) of the Corporation, non-transferable options to purchase Common Shares for a period of up to ten years from the date of the grant; provided, that the total number of Common Shares reserved for issuance may not exceed 10% of the issued Common Shares at the time of the grant of an option.

The securities offered under the Stock Option Plan consist of options to acquire up to a maximum of 10% of the issued Common Shares at the time of the grant of an option. The aggregate number of Common Shares to be delivered upon the exercise of all options granted under the Stock Option Plan will not exceed the maximum number of Common Shares permitted under the rules of any stock exchange on which the Common Shares are then listed or the rules of any other regulatory body having jurisdiction over the Common Shares. If any option granted under the Stock Option Plan expires or terminates for any reason without having been exercised in full, the unpurchased Common Shares subject thereto will again be available for the purpose of the Stock Option Plan. Each option granted under the Stock Option Plan is non-assignable and non-transferable.

The number of Common Shares subject to an option granted to any participant will be determined by the Board of Directors or a committee authorized under the Stock Option Plan, but no participant, where the Corporation is listed on any stock exchange, will be granted an option which exceeds the maximum number of shares permitted under any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction, which maximum number of shares is presently an amount equal to 5% of the then issued and outstanding Common Shares (on a non-diluted basis) in any 12-month period, unless disinterested shareholder approval is obtained.

The maximum number of Common Shares subject to an option granted to any participant who is a Consultant is presently limited to an amount equal to 2% of the then issued and outstanding Common Shares (on a non-diluted basis) in any 12-month period. The number of options granted to all persons in aggregate who are employed to perform Investor Relations Activities (as defined in the policies of the TSX-V) is presently limited to an amount equal to 2% of the then issued and outstanding Common Shares (on a non-diluted basis) in any 12 month period. Options granted to Consultants performing Investor Relations Activities must vest in stages over a 12 month period with no more than 25% of the options vesting in any three month period.

The exercise price of the Common Shares covered by each option shall be determined by the Board of Directors. The exercise price will not be less than the price permitted by any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction. Currently, the TSX-V requires that the exercise price of the options must be equal to or greater than the Discounted Market Price (as defined in the policies of the TSX-V). The exercise price of options is solely payable in cash.

The ability of the options to be exercised and the obligation of the Corporation to issue and deliver Common Shares in accordance with the Stock Option Plan are subject to any approvals that may be required from the Shareholders of the Corporation, or any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation.

So long as it remains a policy of the TSX-V, the Corporation must obtain disinterested shareholder approval for: (i) any reduction in the exercise price of an option if the relevant participant in the Stock Option Plan is an insider of the Corporation at the time of the proposed amendment; (ii) the aggregate number of shares reserved for issuance under the Stock Option Plan to be granted to insiders, at any point in time, exceeds 10% of the then issued Common Shares (iii) the grant of options if the Stock Option Plan, together with all of the Corporation's previously established and outstanding stock option plans or grants, could result in a grant to insiders of the Corporation, or to any person or persons, within a 12 month period, of a number of options exceeding 10% and 5%, respectively, calculated at the date any option is granted to an insider or any person or persons; (iv) any individual stock option grant that would result in the limitations set forth in (ii) and (iii) being exceeded; or (v) if the Corporation requires Shareholder approval for a new or amended stock option plan.

If a participant ceases to be a director, officer, Employee or Consultant, as the case may be, of the Corporation for any reason (other than death), she/he may exercise her/his option to the extent that she/he was entitled to exercise it at the date of such cessation, but only for a period determined by the Board of Directors of up to one year following her/his ceasing to be a director, officer, Employee or Consultant. In the case of an optionee's death, the optionee's heirs or administrators can exercise any portion of the options for up to six months from the optionee's death. Nothing contained in the Stock Option Plan, nor in any option granted pursuant to the Stock Option Plan, will confer upon any participant any right with respect to continuance as a director, officer, employee or consultant of the Corporation or of any affiliate.

Appropriate adjustments in the number of Common Shares issuable upon exercise of outstanding options and in the exercise price of the options shall be made to give effect to adjustments in the number of Common Shares resulting from any subdivisions, consolidations or reclassifications of the Common Shares, the payment of stock dividends by the Corporation or other relevant changes in the capital structure of the Corporation.

The Stock Option Plan provides that the minimum price at which an option holder may purchase a Common Share upon the exercise of an option shall not be established unless the option is allocated to a particular person in accordance with the terms of the Stock Option Plan and, more specifically, the Corporation shall not grant options unless and until such options have been allocated to a particular person or persons.

If and for so long as the Corporation is listed on the TSX-V and in addition to any resale restrictions under applicable securities laws, any options granted to an insider of the Corporation will be subject to a four-month hold period commencing on the particular date of grant of the option, and the option certificate and the share certificate, if applicable, shall bear a restrictive legend setting out any such applicable hold period.

In accordance with TSX-V Policy 3.3, any grant or amendment of an option to an insider or a person performing investor relations activities shall be disclosed to the public on the day the option is granted or amended. The news release shall include the terms of the options under the grant and any subsequent shareholder and TSX-V approvals that may be required.

The Board's authority to amend the terms of the Stock Option Plan or any option without obtaining the approval of shareholders in relation to a change to the vesting provisions of any option or the Stock Option Plan is subject to the qualification that no such changes shall result in an acceleration of the quarterly vesting provisions required for persons performing investor relations activities. Further, the Board no longer has the authority to amend the terms of the Stock Option Plan, or any option, to add a cashless exercise feature.

Pension Plan Benefits

The Corporation does not have a pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement.

Termination and Change of Control Benefits

The Corporation has entered into an employment agreement with Mr. Bowes effective May 1, 2011 pursuant to which he provides his services as Chief Executive Officer to the Corporation. Pursuant to the terms of the agreement, Mr. Bowes earned a minimum base salary of \$250,000 per annum in fiscal year 2014 and his salary for 2015 was reduced by way of a voluntary reduction to \$200,000 in order to preserve the Corporation's financial resources. As of January 1, 2016, Mr. Bowes' salary was voluntarily reduced to \$120,000 to continue preserve the Corporation's financial resources. During 2017, Mr. Bowes' base salary was re-instated to an annual amount of \$250,000. Mr. Bowes' base salary is subject to annual review by the Board of Directors. The Corporation may terminate the agreement for cause at any time with no further obligation to Mr. Bowes. The Corporation may terminate the agreement without cause at any time by providing a lump sum payment equal to one month of salary for each year of service from May 1, 2011,

such lump sum not to be less than 18 months and not greater than 24 months of Mr. Bowes' salary of \$250,000 (the salary in place before voluntary reductions were made). Mr. Bowes may terminate the agreement at any time upon providing two months' notice, subject to certain terms. If Mr. Bowes is terminated by the Corporation within 60 days before, or within 180 days after, a change in control of the Corporation, or Mr. Bowes' duties are changed and are no longer reflective of his status and qualifications prior to the change in control, or Mr. Bowes is asked to relocate as the result of a change in control, then he is entitled to receive a lump sum payment equal to two times his annual salary of \$250,000 before the voluntary reductions. If the agreement is terminated by the Corporation without cause, the estimated minimum payment would be \$375,000, payable in one lump-sum payment. If the agreement is terminated after a change of control, the estimated payment would be \$500,000. In addition, all of the stock options granted to Mr. Bowes under any stock option plan of the Corporation shall become immediately exercisable and vested and shall remain exercisable for a period of one year from the date of termination of Mr. Bowes if there is a change of control. The agreement includes typical non-disclosure covenants in favour of the Corporation.

The Corporation entered into an employment agreement with Mr. Thompson effective May 1, 2011 pursuant to which he provided his services as Chief Financial Officer to the Corporation. Effective January 1, 2016, Mr. Thompson's services to the Corporation were being provided on a part-time basis as an independent contractor. Mr. Thompson resigned as Chief Financial Officer effective October 31, 2016 to pursue a full time opportunity and subsequently entered into a consulting agreement with the Corporation, effective November 1, 2016, whereby he agreed to use his best efforts to make himself available for a period of eight months (ending June 30, 2017) to assist, advise and cooperate with the Corporation on issues relating its financial affairs in order to provide for continuity and an orderly transition.

Effective January 11, 2018, the Corporation entered into a consulting agreement with 6905498 Canada Inc., an external management company of which Mr. McNeice is a principal, for the services of Mr. John McNeice as Chief Financial Officer and Corporate Secretary of the Corporation. Compensation payable under the consulting agreement is at an hourly rate of \$135.00. The Corporation may terminate the agreement for cause at any time with no further obligation to Mr. McNeice. The Corporation may terminate the agreement without cause at any time by providing 90 days notice. If the effective date of such termination is less than 90 days following the date of giving of such notice, Mr. McNeice shall receive a cash payment for the balance of the 90 day period based on his average daily compensation for the 6 month period preceding the effective date of termination. In the event of a change of control where the consulting agreement is terminated by the Corporation within 60 days before or within 180 days after a change of control of the Corporation, or Mr. McNeice's duties are changed and are no longer reflective of his status and qualifications prior to the change of control, or Mr. McNeice is asked to relocate as the result of a change of control, then Mr. McNeice shall be entitled to receive a lump sum payment equal to 12 months compensation at the time of termination. For the purpose of this section, a month's compensation will be considered to be the average monthly compensation of the 6 months preceding the effective date of termination. All of the stock options granted to Mr. McNeice under any stock option plan of the Corporation shall become immediately exercisable and vested and shall remain exercisable for a period of one year from the date of termination of the consultant if there is a change of control.
